

DECODING THE WISDOM OF RIDER-WAITE TAROT

ELEONORE RADTBERGER

The book

What kind of power enables us to tell the truth and predict the future? Is this power within us, within a pack of cards, or does it draw on multiple sources?

When it comes to Tarot, the answer is simple: this ancient, wise and magical picture book draws its power from its symbolism.

In her book, Eleonore Radtberger discusses all 78 cards of the Rider-Waite Tarot in detail. Further articles provide valuable tips on how to use the Tarot and alternative perspectives on the metaphysical.

The author

Born in 1957, Eleonore Radtberger has many years of experience in spiritual work, with the Tarot playing a significant part. Advocating an undogmatic approach to spiritual paths, the author also works with other mediums, such as runes and Lenormand cards.

'There is more than one view of things, even when it comes to what constitutes our reality' is a sentiment that Eleonore Radtberger wishes to convey to her readers. Anyone who engages with the Tarot can do so in their own unique way, as this ancient book of wisdom was created outside the realm of rules and constraints.

The author's books, published in Germany by Winfried Brumma (Pressenet), are intended as guides to the world. Everyone must discover them for themselves.
